Everything simplified.

We understand the importance of a seamless onboarding process for new users. We believe that the first impression is crucial, and we want to ensure that you feel supported and guided every step of the way.

From the moment you join Workspace 365, we are there with you. Our onboarding process is designed to be smooth, efficient, and personalised to meet your specific needs. We understand that everyone has different preferences and requirements, so we tailor our onboarding experience accordingly.

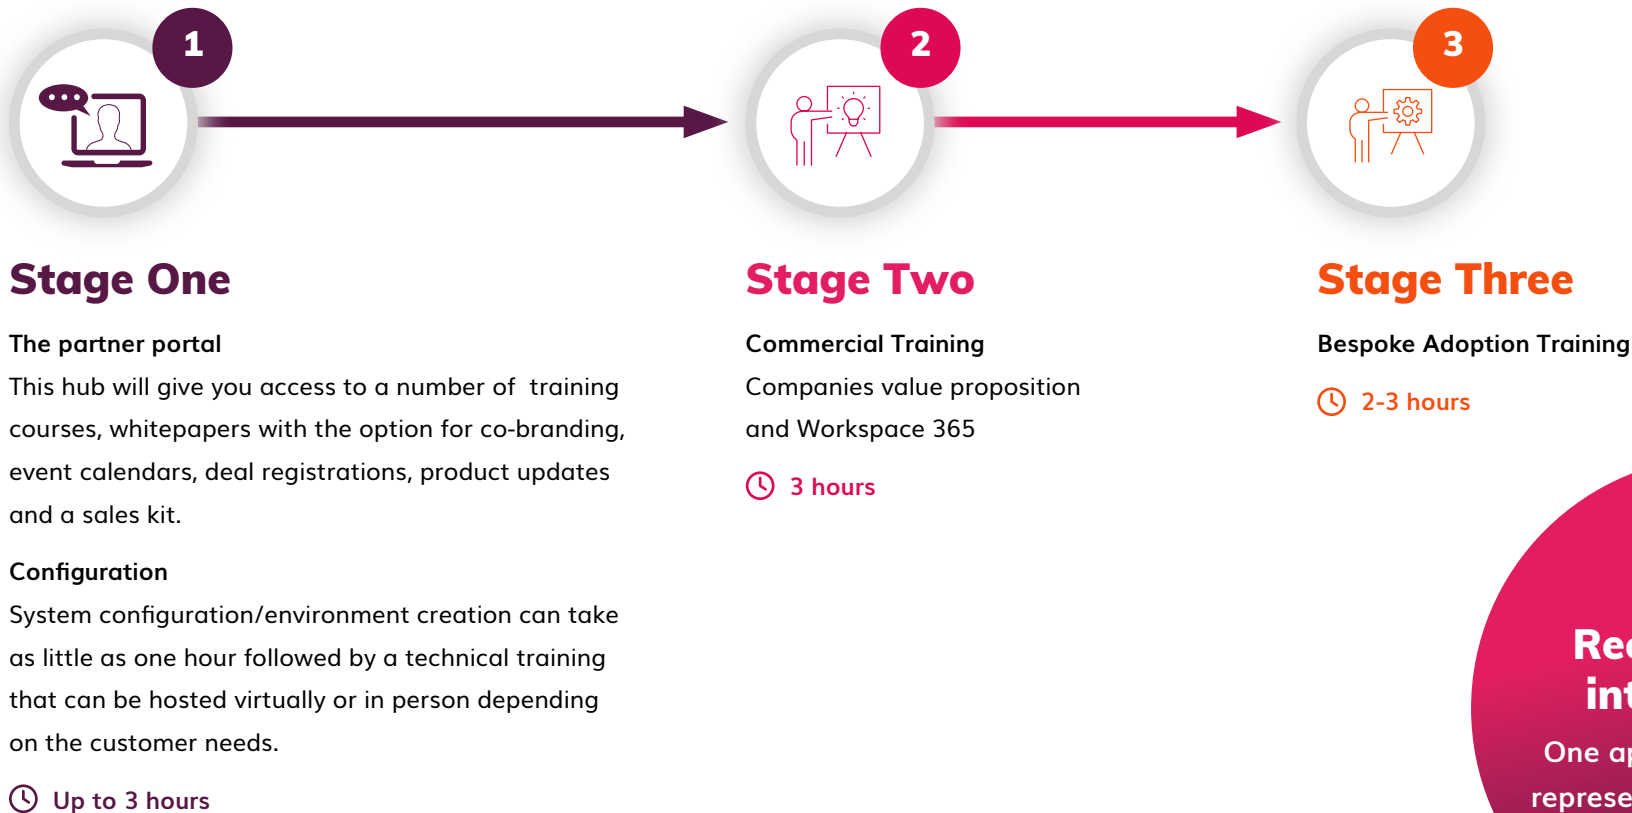

Our team of experts will guide you through the entire process, making sure you have a clear understanding of how Workspace 365 works and how it can benefit you, and your organisation. We provide comprehensive training sessions and resources to help you get up to speed quickly.

But our support doesn't stop there. We offer ongoing assistance and a dedicated support team is ready to answer any questions or address any concerns you may have. Our goal is to make your transition into using Workspace 365 as seamless as possible.

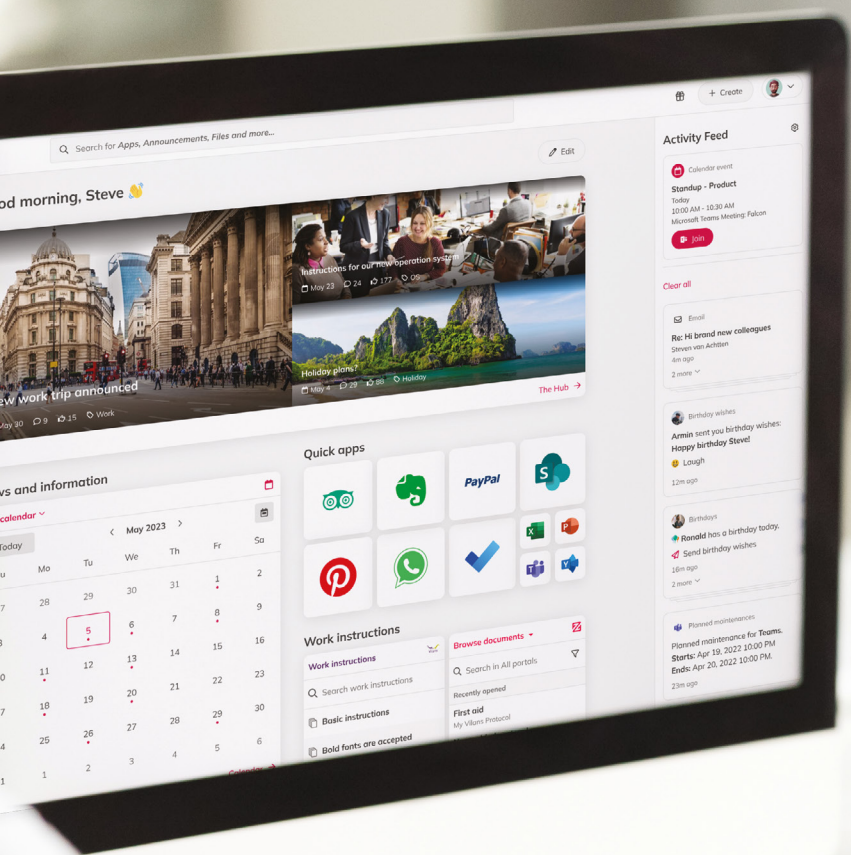

**Remember, at
Workspace 365,
we're with you
all the way!**

Training Track – One month duration

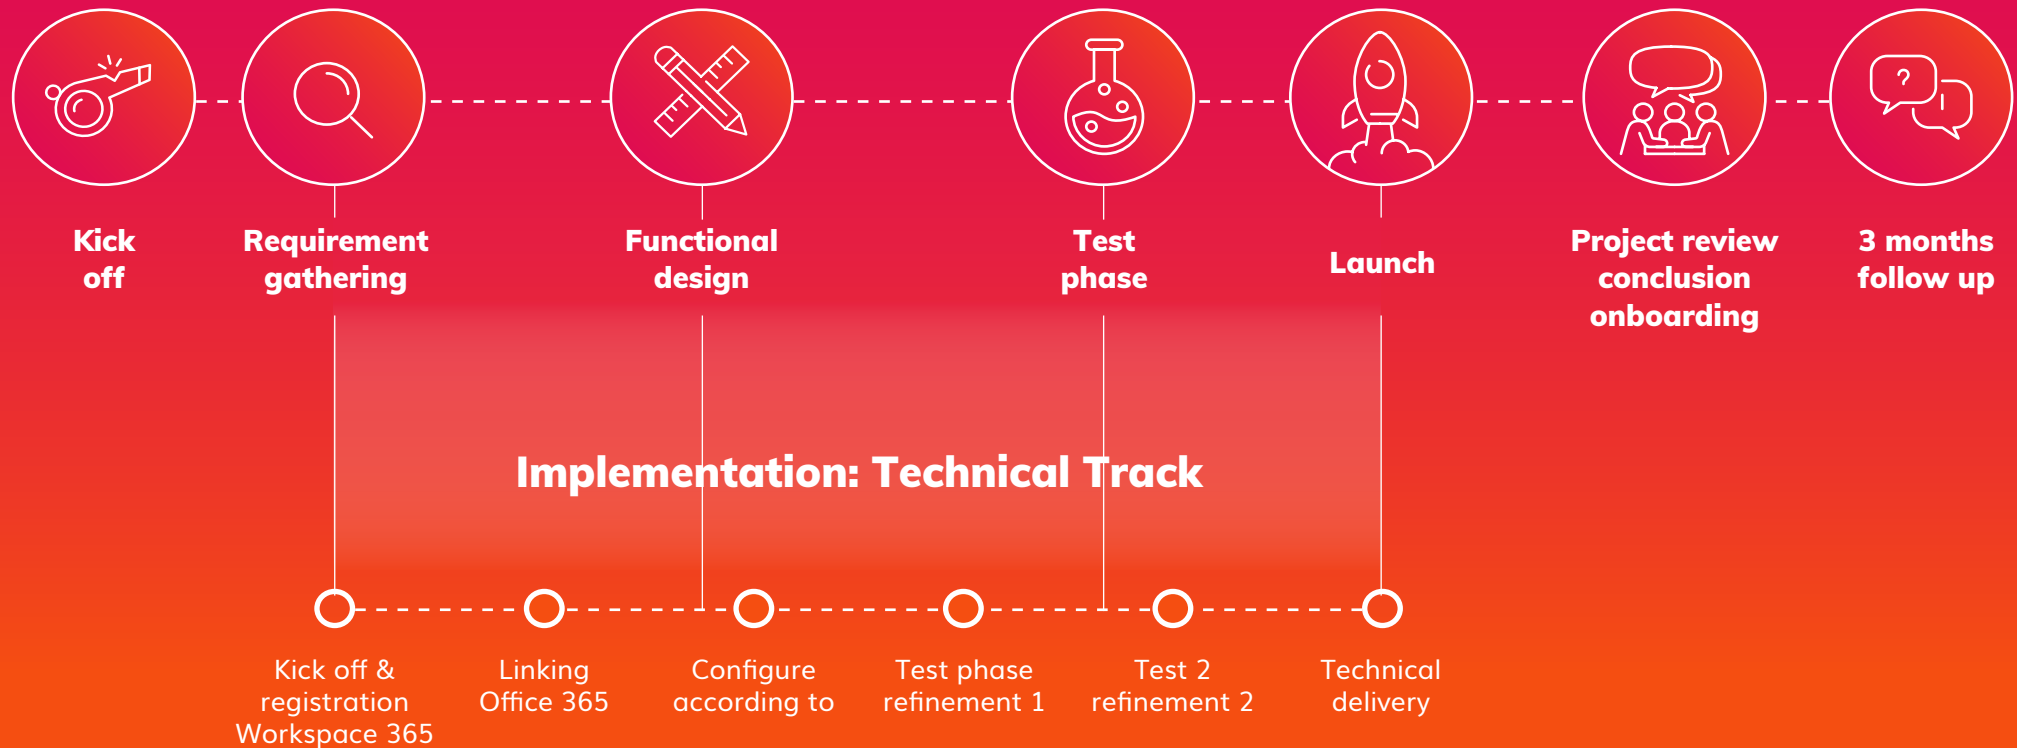

Recommended internal team

One appointed lead and a representative from at least three departments: IT, HR & marketing.

Onboarding journey for your customers

To fully understand the onboarding journey of your customers, we highly recommend that you personally experience the entire onboarding process. Rest assured, we are here to support you every step of the way, and participation in this exercise is entirely optional.

Conclusion

We understand that every business is unique and may have varying internal resources. However, we assure you that we are committed to customising the onboarding experience to suit your company's specific needs and requirements.

Our dedicated team will be by your side throughout the entire journey, ensuring a smooth transition and successful onboarding of Workspace 365. Together, we can optimise your adaptive digital workplace and empower your workforce for enhanced productivity and collaboration.
